## AFTER-SCHOOL CODING CLUB

by Coding Lab Japan

@Yoyogi International School

Join the after-school Coding Club and learn to program games, create interactive stories, code robots and Minecraft and more. Coding Lab Japan is run by ex-Microsoft software engineers who love coding and teaching. We emphasis creativity and having fun.

No coding experience required. Returning students are welcome to re-join—our curriculum scales up based on level. This term we will be doing projects using Scratch, robotics, Minecraft Education, and more. As well as Python for returning, advanced students.
