Tiny Hands, Mega Minds

AFTER-SCHOOL CODING CLUB

by Coding Lab Japan
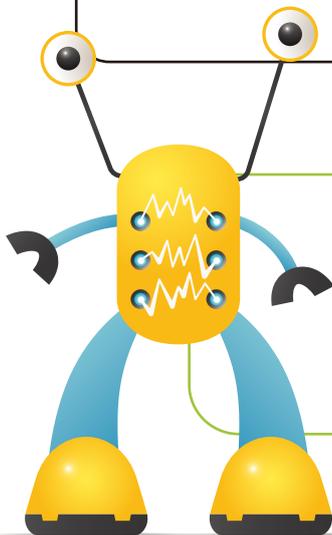

@Yoyogi International School

Kids learn to code computers and robots in a fun and creative space. We combine arts/crafts, story books, games, and other creative activities into our coding projects. We use an easy-to-learn language called Scratch Jr., Robots, and other gadgets. Coding Lab Japan is run by ex-Microsoft software engineers who love coding and teaching. We emphasis creativity and having fun!
